### PSI Candidate Agreement

You agree that PSI can take your photos and may ask you to scan your government issued Identification. These will be used for identity verification only and are not retained for any other purpose. In addition, live audio and video will be streamed during your testing session to a remote monitor and will be stored for future reference. Should the remote monitor detect any potential chatting activity, they may pause or terminate your testing session. Any specific rules established by your exam sponsor will be enforced. If you have any questions regarding this you may contact the monitor via the Live Chat Window. You must accept the agreement to complete your reservation for this exam.

### The Linux Foundation Global Certification & Confidentiality Agreement

Candidates are required to accept the terms and conditions of the [Linux Foundation Global Certification & Confidentiality Agreement](#) ("Agreement").

As per the terms of the Agreement, Candidates are NOT ALLOWED to make screenshots or recordings of the exam content for any reason. Violation will result in EXAM TERMINATION WITHOUT WARNING.

Live audio, video, chat log, and desktop feed of your candidate testing session will be screenshared and streamed to a remote proctor and recorded. Test session recordings are stored for no more than 90 days. The recordings are only accessed by authorized program or exam proctoring partner staff and only in the event of reported irregularities or a candidate appeal regarding an exam session.

As per the terms of the Agreement, certification is not permitted for candidates under sixteen (16) years old. By indicating your acceptance of the Linux Foundation Global Certification & Confidentiality Agreement, you hereby represent that you are sixteen years of age or older. You acknowledge that the Linux Foundation is relying upon such representations in granting certification.

### 参加此考试需要PSI安全浏览器

PSI安全浏览器是一种Web浏览器，旨在确保通过虚拟连接进行安全的检查。该在线考试是使用PSI安全浏览器进行的。

#### 下一步

- 通过单击下面的按钮下载安全浏览器。
- 运行安全浏览器安装程序文件。
- 启动您的考试。

安装安全浏览器/启动考试

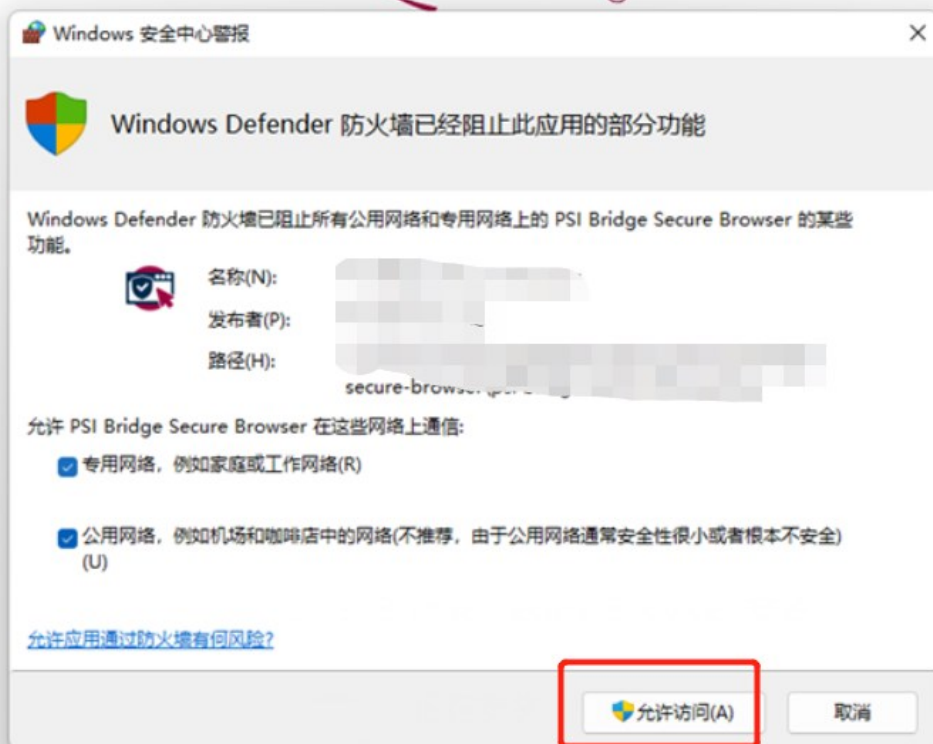

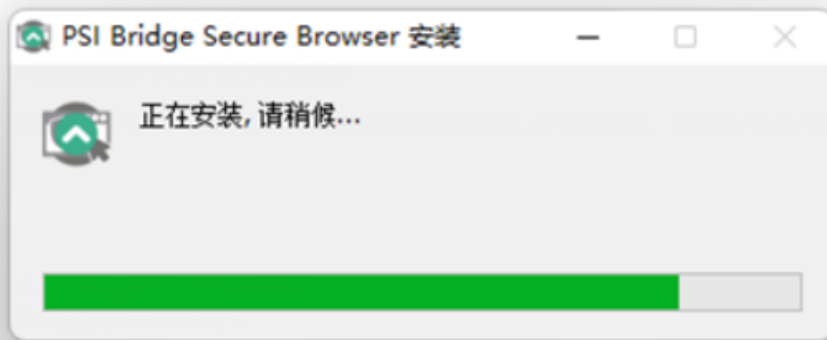

#### 故障排除

如果应用程序在签到过程中或检查过程中的任何时候变得无响应：

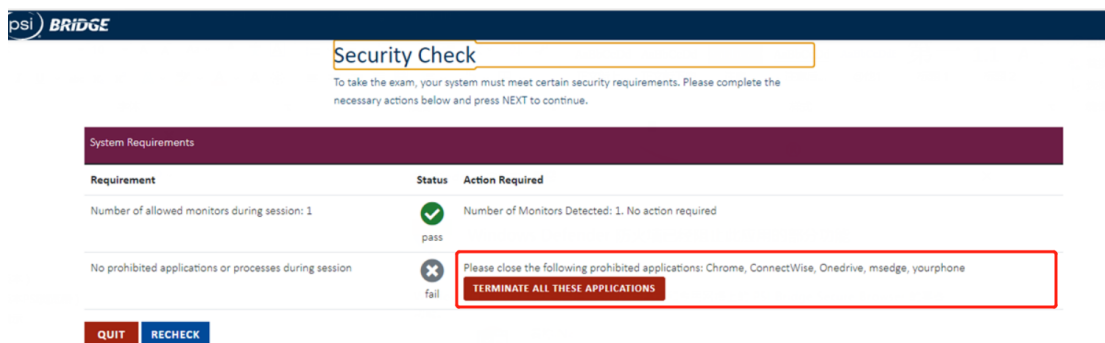

- 与您的监考员聊天以获取更多说明。
- 如果无法进行聊天，请通过“文件”>“退出”或“任务管理器/强制退出”关闭应用程序。
- 通过PSI安全浏览器桌面图标重新启动考试。
